

A large, bold black number 7 is centered within a large rounded square frame. The number has a thick horizontal top bar and a diagonal stem. Two small black dots are placed on the stem to indicate stroke order: one dot is located at the junction where the stem meets the top bar, and the second dot is further down the stem.

A smaller, bold black number 7 is centered within a smaller rounded square frame. It features a thick horizontal top bar and a diagonal stem. Two small black dots are placed on the stem to indicate stroke order: one dot is at the junction with the top bar, and the second dot is further down the stem.
